MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Security Arrangements for Dr. Henry A. Kissinger,
Cambridge, Massachusetts

I wish to express our appreciation for the support furnished by your Agency in response to Mr. McGeorge Bundy's previous request for assistance in providing certain security arrangements involving the transmission and maintenance of classified NSC materials at the Cambridge, Massachusetts office of Dr. Henry A. Kissinger, Consultant to the President and the National Security Council.

It is understood that the desired arrangements have been made for the retention of classified materials at Dr. Kissinger's Cambridge office and for the availability of CIA courier service in transmitting Top Secret NSC materials to and from Cambridge and Washington on the relatively infrequent occasions when such transmittals will be involved.

It would also be appreciated if you would convey our thanks to Colonel White, Colonel Edwards, [redacted] and others who assisted STAT us in making these arrangements.
